Nick Juba - FE Representative Appointment

I am pleased to inform the Board that the Association of South East Colleges (AOSEC) has appointed Nick Juba, Chief Executive, City College Brighton & Hove, to be its representative on the Coast to Capital Board.

His date of appointment as a Board Member will be 1 November 2016 and for a term of no more than one year, extendable by a further one year by agreement of the Board.

The appointment must be now formally ratified by the Board and I am proposing that we do this at this meeting.
