

Coast to Capital Co-opted Director Transport - Recruitment

The Organisation

Coast to Capital is the Local Enterprise Partnership for one of the most diverse and exciting areas of England. Business is thriving across our area, covering the M23 corridor from Brighton to Croydon including Coastal West Sussex, the Gatwick Diamond and the wider rural area. Our economy is broad based and resilient, a net contributor to the Exchequer, with historically low levels of unemployment and a wide range of successful businesses.

In the six years since we were created, Coast to Capital has made significant progress in attracting investment and support to help our economy grow; including:

- Attracting more than £300m of public investment to upgrade our regional infrastructure, and to invest in the growth of business in the region
- Developing and delivering services to businesses in the region, focusing on SME and scale-up growth, exports and helping the education sector align with business needs
- Demonstrating leadership on strategic issues facing our regional economy, including around transport infrastructure, the development of skills to serve our future economy, and the economic importance of housing in the region.

Coast to Capital is held in high regard by Government and local partners.

The Opportunity

Chaired by Tim Wates, the Coast to Capital Board brings together regional business leaders alongside senior politicians and leaders from Universities and Further Education. We form a unique partnership which makes us a powerful voice of challenge and advocacy for our region.

We are now looking to bring further business sector skills onto the Board in order to help lead the region through the economic challenges of the years ahead. These include becoming the partner of choice for London, the need to balance environmental and economic priorities, leading UK trade growth, creating an offer for all stages of life, and pioneering digital innovation. An important aspect of this role will be to help develop a Local Industrial Strategy for our region which addresses these challenges.

To do this, we are looking to appoint a **Co-opted Director**, in order to bring specific skills and expertise into the organisation to address challenges in our operating environment over the coming years:

- **Transport lead.** You will have a senior background in the transport sector, and will be able to help influence and give direction to our work on strategic issues facing the region. These include the need to maximise the economic benefit from transport investment, including in railways, roads and ports. It will be important to have a good awareness of the regional importance of Gatwick airport and the strategic issues relating to the airport.

This is an exciting opportunity for an individual of exceptional calibre to contribute to the continued growth and strategic development of Coast to Capital and the region. By joining the Board you will bring your own professional experience and networks together with knowledge of the wider economic context to influence our priorities, investment and services. You will support, give guidance to, and work closely with our high quality executive team to make sure that the region can maximise its influence and understanding on the wide range of transport issues that are relevant to our region.

Person specification

- Established in your field, with significant experience in senior roles including in the transport sector
- Excellent communication, influencing and problem solving skills
- Strong reputation and wider professional network
- Experience of working well with non-executive Directors or of performing a non-executive role
- Ability to engage with a wide range of stakeholders from local government, education and business sectors
- Proven track record in demonstrating leadership to deliver business strategy
- Ability to work closely with the Chief Executive and his senior team to support the work of Coast to Capital
- Understanding of the challenges and opportunities facing the economy in our region, and a commitment to creating an environment where business can flourish
- Familiarity with the wider issues affecting our region and a desire to make a difference to the area
- Able to offer the time and commitment necessary to make a success of these roles; specifically by attending four Board meetings a year which take place in the evening in the local area
- Live and/or work in the Region; or have or have had experience of participating in a business or businesses based in the Region

Terms and conditions

The term of appointment will be for two years, with an option to renew for a further two years if necessary. You will be required to attend four Board meetings a year.

As an organisation which allocates public money on behalf of Government, Coast to Capital holds itself to the highest standards of public accountability and transparency. We set out how we do this in our Assurance Framework, which sets out the high quality governance arrangements that we have in place in order to ensure that our partners have confidence in the decisions that we make. All Co-opted Directors are subject to the provisions of this assurance framework, and are given support and training as required by the Executive team to support them in doing this.

The post is not remunerated, although reasonable travel and expenses will be paid.

Recruitment process

For a further discussion about these roles and the challenges of the specific posts, please contact **Jonathan Sharrock** (Chief Executive) either by telephone on 01403 333840 or by email at jonathan.sharrocks@coast2capital.org.uk

To make an application please send, by **Wednesday 21 March**, a full CV with a covering statement setting out how you believe you could fulfil the requirements of the key role to Katie Nurcombe, Head of Communications & Corporate Affairs at katie.nurcombe@coast2capital.org.uk

We will acknowledge your application within 24 hours. If you have not received confirmation please contact Katie Nurcombe on 01403 333840 to ensure we have received your application.
