# Making a Difference

## Education Development Trust (EDT)

- **ESF Value:** £3,458,731
- **Project dates:** October 2020 – November 2023
- **Key Project Deliverables:** Support for 5906 individuals, with 1597 achieving jobs
- **Target Beneficiary Grouping:** Long-term unemployed
- **What the project will do:** Making A Difference' will use Education Development Trust's existing National Careers Service (NCS) infrastructure to offer additional substantive tailored support to long-term unemployed individuals with barriers to employment across Coast to Capital. The NCS is a universal service that offers Information, Advice and Guidance to all adults. It does not have a remit to design individualised support packages for job-seekers and is not funded for this purpose. NCS has no remit to provide coaching or counselling and has no 'Flexible Support Fund' – 'Making a Difference' incorporates these elements.

# Step Ahead into Work

## Step Ahead

- **ESF Value:** £656,250
- **Project dates:** July 2020 – December 2023
- **What the project will do:** Step Ahead into Work aims to match workless Coast-to-Capital LEP area residents to local employers seeking to fill vacancies, to improve social mobility and address relative deprivation. It focuses on delivering bespoke support for disadvantaged target groups aimed at providing the activities and guidance necessary for them to deal with their employability and skills barriers alongside direct opportunities to enter employment.
- **Key Project Deliverables:** Bespoke support for unemployed individuals, increase employability of individuals from disadvantaged groups, match participants to employment opportunities
- **Target Beneficiary Grouping:** Long-term unemployed, disadvantaged groups

# Reignite Prevista

- **ESF Value:** £994,926
- **Project dates:** September 2021– December 2023
- **What the project will do:** Reignite is a programme that aims to support the unemployed into work across a range of high growth sectors up to a 10-week course. The project will provide participants with benefits such as increased employability, confidence and help to overcome barriers to finding work.

- **Key Project Deliverables:** The project will support participants to gain the tools and skills to gain employment in some of the highest growing sectors including Horticulture, Viticulture, Tourism, Advanced Engineering and Manufacturing and high employing sectors such as Health & Care, Construction and Financial & Professional Services.

# Careers Beyond Covid

Sussex Learning  
Network

- **ESF Value:** £576,739
- **Project dates:** September 2021 – December 2023

# Working Homes

## Groundwork

- **ESF Value:** £544,147
- **Project dates:** May 2020 – June 2023
- **What the project will do:** The project will provide opportunities for people living in workless households who have complex needs, to access the labour market, further skills and training or mainstream support to secure employment.
- **Delivery partners:** London Borough of Croydon & Raven Housing Trust
- **Target Beneficiary Grouping:** Long-term unemployed, inactive people, people from disadvantaged groups

# Future Skills 360 Prevista

- **ESF Value:** £866,661
- **Project dates:** April 2021 – December 2023
- **What the project will do:** Future Skills 360' is an innovative project that aims to address the future skills needs and challenges of employed people in the Coast to Capital region through a programme of increased SME engagement in curriculum design and delivery, tailored workforce development provision, promotion of career progressions that generate opportunities for participants and lead to increased productivity for employers and the economy across the region.
- **Target Beneficiary Grouping:** Employees in Coast to Capital

# Digital Skills for Employees

Whitehead Ross

- **ESF Value:** £520,561
- **Project dates:** April 2021 – December 2023
- **What the project will do:** This project will support 633 in-work learners. The project represents a scaling-up of current delivery, allowing the lead provider to support significantly more employers and learners with a tried-and-tested workforce development model.
- **Target Beneficiary Grouping:** Employees in Coast to Capital

# Progression for Work and Employment Genious Solutions Ltd

- **ESF Value:** £386,808
- **Project dates:** August 2021 – December 2023

# Upskilling Employees in Coast to Capital Whitehead Ross

- **ESF Value:** £548,986
- **Project dates:** January 2021 – December 2023
- **What the project will do:** Enhance equal access to lifelong learning for all age groups in formal, non-formal and informal settings, upgrading the knowledge, skills and competences of the workforce, and promoting flexible learning pathways including through career guidance and validation of acquired competences.
- **Target Beneficiary:** Employees in Coast to Capital

# SME Workforce Development Twin Group

- **ESF Value:** £736,885
- **Project dates:** April 2021 – December 2023
- **What the project will do:** Enhancing equal access to lifelong learning for all age groups in formal, non-formal and informal settings, upgrading the knowledge, skills and competences of the workforce, and promoting flexible learning pathways including through career guidance and validation of acquired competences.
- **Target Beneficiary:** Employees in Coast to Capital

# Internships with Twin Twin Group

- **ESF Value:** £688,998
- **Project dates:** May 2019 – May 2022
- **What the project will do:** The project will deliver a programme of internships, placing graduates in SME's across the Coast to Capital area.
- **Key Project Deliverables:** Working with SME's to identify potential projects for interns, promoting the internship programme with graduates, supporting the application and selection process and providing ongoing support to placed interns to ensure a successful internship.
- **Target Beneficiary Grouping:** Graduates within Coast to Capital
