

2018-2020

**Work that Coast to Capital will
lead in preparation for a
Local Industrial Strategy**

Form an Employment and Skills Board to ensure that education and skills delivery match the changing requirements of industry.

Ensure that careers advice fully exposes young people to the specific opportunities within the local economy, in line with the Government's careers strategy.¹⁷

Build an accurate picture of the skills needed in our economy over coming years and the capital investment needed to support their delivery.

Build a business case for revenue funding to subsidise the training of the adult workforce.

Prioritise the development of digital skills across the economy, including for older workers.

Actively support initiatives to improve skills provision, including an Institute of Technology, the introduction of T Levels, reinforcing existing provision and creating new provision where there is urgent need, such as Haywards Heath.

¹⁷ Department for Education, Careers strategy: making the most of everyone's skills and talents, December 2017

2020-2030

**Delivering our vision
out to 2030**

Broker positive relationships and new ways of working between education and industry to ensure that individuals and business can access high quality skills training.

Build a business case for capital investment in skills infrastructure to ensure we have state of the art training facilities and equipment.

Take a greater role in the co-ordination of careers advice for all ages, in line with the Government's careers strategy.

Co-ordinate the digital skills offer through a Local Digital Skills Partnership.
