Slightly concerned

7 Are there other issues we should consider?

Are there other issues we should consider:

Ease of access to local businesses along the A27 is very important to us.

Options and proposals

8 Do you think the walking and cycle path and crossing proposals will result in the following outcomes?

Walking and cycle path and crossing proposals - A safer and more attractive route for cyclists, pedestrians and others:

Neither agree nor disagree

Walking and cycle path and crossing proposals - Safer and more convenient crossings for pedestrians, cyclists and others:

Neither agree nor disagree

Walking and cycle path and crossing proposals - Encourage people to make more trips on foot or by bicycle:

Neither agree nor disagree

Walking and cycle path and crossing proposals - Support better access to South Downs National Park:

Neither agree nor disagree

Walking and cycle path and crossing proposals - Shorter journey times for vehicles if cyclists have a separate cycleway:

Neither agree nor disagree

9 Other (please specify)

Other:

Options for improvements at Selmeston

10 Which of the following options at Selmeston do you prefer? Please tick only one option

Option 1 – new bypass to the far south of Selmeston

11 Other – please specify

Other:

Proposals for improvements at Drusillas Roundabout

12 The options for improving Drusillas Roundabout are limited. Do you think the proposed improvement there will achieve the following outcomes? Your views will help us make a decision about whether to include this in the final scheme.

Improving Drusillas Roundabout - Improve traffic flows through the junction:

Strongly agree

Improving Drusillas Roundabout - Suitable and convenient crossings:

Agree

Improving Drusillas Roundabout - Fewer accidents and improved safety:

Neither agree nor disagree

13 Other – please specify

Other:

This is a very important project to us as Drusillas roundabout has been a difficult area for some time.

Options for improvements at Wilmington

14 Which of the following options at Wilmington do you prefer? Please tick one option.

Option 1 – junction improvement with pedestrian island

15 Other – please specify

Other:

Options for improvements at Polegate

16 Which of the following options at Polegate do you prefer? Please tick one option.

Option 13 – junction improvement, railway bridge widening and A27 dual carriageway from Polegate to Cophall Roundabout

17 Other - please specify

Other:

Important to future-proof this part of the road as much as possible.

Phasing and prioritising investment at the A27 East of Lewes

18 Please rank the schemes in order of importance, with 1 being your highest priority and 5 being your lowest priority.

Rank the schemes - Shared walking and cycle path along A27 between Glynde and Polegate:

5

Rank the schemes - Improvement scheme at Selmeston:

4

Rank the schemes - Improvement at Drusillas Roundabout:

2

Rank the schemes - Improvement scheme at Wilmington:

3

Rank the schemes - Improvement scheme at Polegate:

1

19 Do you have any other comments about the scheme?

Comments:

Key issues for us are Polegate & Wilmington, the other issues are secondary.

It is very important to future proof the road to accommodate future development + growth in traffic.

This A27 between Brighton-Eastbourne is a key artery for business viability and growth for the region, in particular the towns situated next to the road (Newhaven, Lewes, Polegate etc.)
